Architectural Standards

CRITERIA FOR BASKETBALL GOALS

WHEREAS, Article IV of the Articles of Incorporation of Iron Horse Canyon Homeowners Association, INC. were established for the following purposes: to preserve and maintain the orderly development, improvement and use of the land with the objective of enhancing the land value and establishing a desirable environment for owners and occupants; to establish and enforce architectural and landscaping controls of the lots and common areas; to promote the health, safety and welfare of the owners and occupants.

WHEREAS, Article 1 of the Declarations of Covenants for the Iron Horse Canyon HOA states that it has been deemed desirable: for the efficient preservation of the values and amenities in the subdivision(s) on the land, to create an agency to which should be delegated and assigned the powers of maintaining and administering the Common Facilities and administering and enforcing the covenants and restrictions common to all owners of lots within the subdivided Land; to ensure the preservation of the values and amenities in the community arising from such subdivisions and for the maintenance of said Common Facilities, and to this end desires to further subject the Land, together with such additions as may hereafter be made thereto as herein provided, to the covenants, restrictions, easements, charges, and liens hereinafter set forth, each and all of which is and are for the benefit of each Lot and each of the owners thereof.

WHEREAS, Article IV, Paragraph 2 of the Declarations of Covenants for the Iron Horse Canyon HOA grants the Architectural Control Committee (henceforth referred to as: "the ACC") power and authority to, "construe and interpret any covenant, condition or restriction herein."

WHEREAS, Article IV, Paragraph 3 of the Declarations of Covenants for the Iron Horse Canyon HOA states that No building, fence or other structure or improvement shall be erected, placed or altered on any Lot in the subdivision until the plans and specifications, including exterior elevations and exterior colors and all exterior materials for such building, fence or other structure and showing the location of such building, fence or other structure, shall have been approved in writing by the ACC as to the quality of workmanship and materials and conformity and harmony of exterior design with existing structures in the subdivision and as to the location with respect to topography, existing trees and finished elevation.

WHEREAS, Article IV, Paragraph 4 of the Declarations of Covenants for the Iron Horse Canyon HOA grants the ACC, "broad discretion to permit, consent to, or approve a variance from the specific requirements or effect of a particular covenant."

WHEREAS, the ACC desires to establish criteria for the construction and placement of outdoor fireplaces on the lots in the subdivision.

NOW THEREFORE, the following criteria are established for the construction and placement of temporary or permanent basketball goals on the lots in the subdivision:

1. Any basketball equipment or installation is considered an "improvement" and must have ACC approval.
2. Basketball goals are considered to be permanent when the entire support pole for the structure is cemented or buried into the ground.
3. Basketball goals are considered to be portable when the support pole for the structure is affixed to:
 - a. a plastic platform with wheels
 - b. a sleeve cemented or buried into the ground
 - c. cement with bolts sufficient to ensure the safety of the structure
4. No permanent basketball goals may be installed in the front yard of any residence.
5. All basketball equipment must be of "commercial construction" and must not be significantly altered from its original condition.
6. Basketball equipment may not be placed closer than 15' to the street or curb and must be on or adjacent to the homeowner's driveway.
7. All Basketball goals must be in good repair and be maintained in an upright position at all times.
8. All use of basketball installations shall be allowed from sun-up to sundown only so as not to disturb the quiet enjoyment of another owner.

These Architectural Standards supersede any and all previous Architectural Standards for Basketball Goals. This action was taken and becomes effective for the Iron Horse Canyon HOA on September 5, 2013.

WHEREAS, the ACC desires to establish criteria for the construction and placement of outdoor fireplaces on the lots in the subdivision.

NOW THEREFORE, the following criteria are established for the construction and placement of outbuildings on the lots within the subdivision:

1. Any installation of an outbuilding is considered an "improvement" and must have ACC approval prior to installation.
2. Structure shall be compatible with the dwelling to which it is appurtenant in terms of its design, color, and material composition.
3. No temporary dwelling, shop, trailer or mobile home of any kind nor any improvement of a temporary character, except children's playhouses and dog houses, shall be permitted on any lot.
4. All children's playhouses must be of "commercial construction" and must not be significantly altered from its original condition.
5. In no instance shall an outbuilding exceed one (1) story in height. Height of children's playhouses may not exceed twelve (12) feet. Height of all other structures may not exceed:
 - a. nine (9) feet for any lot where the total acreage is less than one-half (0.5) acres;
 - b. twelve (12) feet for any lot where the total acreage is at least one-half (0.5) acres and the structure is located at least fifteen (15) feet, but not more than twenty-five (25) feet, from any lot line;
 - c. sixteen (16) feet for any lot where the total acreage is at least one-half (0.5) acres and the structure is located at least twenty-five (25) feet from any lot line.
6. Location of structure must be:
 - a. in the rear yard (not in front or side yard);
 - b. outside of any easement or minimum building setback lines as shown on the plat or required by the City of Helotes;
 - c. at least five (5) feet from any lot line for any lot where the total acreage is less than one-half (0.5) acres;
 - d. at least fifteen (15) feet from any lot line for any lot where the total acreage is at least one-half (0.5) acres and the height of the structure is less than or equal to twelve (12) feet;
 - e. at least twenty-five (25) feet from any lot line for any lot where the total acreage is at least one-half (0.5) acres and the height of the structure is more than twelve (12) feet.

This action was taken and becomes effective for the Iron Horse Canyon HOA on September 5, 2013.
